MISSION STATEMENT

Agape exists to demonstrate and share the life-changing message of Jesus Christ by providing **practical help and loving support** to those facing an unplanned pregnancy.

'24 YEAR IN REVIEW

As we reflect on the extraordinary year of 2024, we are filled with deep gratitude and eager anticipation for the future. At Agape Women's Clinic, we've witnessed remarkable growth—not only in the number of clients we serve and the lives of babies we've been able to save, but also in the profound impact we're making by sharing the Gospel. More women and men than ever are opening their hearts to the message of hope in Jesus Christ.

One of the most exciting milestones this year has been the unexpected opportunity to open a second clinic in Cedar Park. This new location is already making a significant difference, offering compassionate care and the chance for many more women to choose life for their babies and find healing through Christ.

Looking ahead, we are filled with hope for 2025. As we continue to expand our reach and grow our services, we are committed to saving more lives—both babies and souls. The journey is just beginning, and we are eager to see how God will continue to move in powerful ways. Thank you for your support in making all this possible.

With gratitude,

JO MARKHAM
Executive Director
